Re: Rico Townsite Soils VCUP Application – Request for Review Extension

Dear Mr. Walker:

Based upon our understanding of your department's need for some additional time to review the revised Rico Townsite Soils Voluntary Cleanup Plan Application, submitted on March 19, 2004, the applicants request an extension to the current 45-day review period. We request that the existing review period end date of April 4, 2004 be extended to April 30, 2004.

Please let us know of your decision regarding this extension at your earliest convenience. If you have any questions, please contact me at (406) 782-9964 ext. 430. We, again, welcome CDPHE's comments on this application and look forward to proceeding with the project.

Sincerely,

  
Dave McCarthy  
Project Manager

Re: Rico Townsite Soils VCUP Application – Request for 2<sup>nd</sup> Review Extension

Dear Mr. Walker:

Based upon our understanding of your department's need for some additional time to review the revised Rico Townsite Soils Voluntary Cleanup Plan Application, submitted on March 19, 2004, the applicants request an additional extension to the review period. We request that the existing review period end date of April 30, 2004 be extended to May 31, 2004. However, as previously discussed, we are still anticipating an earlier approval of the Sampling and Analysis Plan so that sampling activities can begin as soon as possible.

If you have any questions, please contact me at (406) 782-9964 ext. 430. We, again, welcome CDPHE's comments on this application and look forward to proceeding with the project.

Sincerely,

  
Dave McCarthy  
Project Manager
